

Link System

Uprighters, workstations, workstands, trolleys and flow racks. The Link uprighter mounts on Base, Pro, Scitec and Pack workbenches, or on an existing workbench.

Specifications

Uprighter frames	Heavy-gauge MS starter and adder frames, notched front and back at 1" increments
Frame heights	30" and 48"
Frame widths	24", 30", 36", 42", 48", 60"
Sizing rule	The worksurface must be at least 6" wider than the uprighter (e.g. 48" uprighter on a 54" top)
Trolleys	48" and 60" high, plus casters
Flow racks	Gravity-fed part feeding with adjustable-angle shelves
